

Information for the patient

BioDiscovery is an open-access journal which means anyone can access the articles we publish. The journal accepts a number of reports written about patient care and are all based on real scenarios.

Name of article: _____

Author: _____

Date: _____

I give my consent for this case report to be published in *BioDiscovery*.

I understand that my name and contact details will not be included in the published article, and that every effort will be made to maintain patient anonymity. I understand that complete anonymity cannot be fully guaranteed, and it may be possible for someone who knows my details to identify me from the published article.

I understand that the case report will be freely available on www.biodiscovery.co.uk. I have been offered the chance to read the article.

Signed: _____

If you are giving your consent on behalf of another person, what is your relationship to that person?
